

We LOVE “My Buddy” Photos!

To capture the best portrait of your puppy, forever fur baby, or your best all-around buddy is our love.

We specialize in capturing your pup’s favorite expressive moments, either in the studio, the field, in your yard, or your home.

- Photo session fees – which include a jpeg file of best images are yours to add to your album and share forever
- A studio or field/park session takes about 1.5 hour and the charge is \$75.
- Canvas mounted wall art ranges start at \$50 depending on the print size.

“My Buddy Club”

When you order a canvas mounted wall art, we donate 10% of the sale to animal rescue and relief efforts in your pup’s name.

The weather is getting warmer! We can shoot 6 ft. apart on location or in my studio.
